Penalties	5-40	11-65

The Brookville Bees exploded for 21 points in less than seven minutes of the first quarter and went on to score a 36-0 victory over the Raiders of Appomattox last Friday night in a Seminole District football game played at Appomattox. The win gave Brookville a 5-1 record overall and dropped the Raiders to the .500 level at 3-3 overall and 2-2 in the district.

The Raiders kicked off to Brookville to start the game and the Bees started on their own 32 yard line. A five yard penalty against Appomattox put the ball on 37 and on the next play Bill Lindsey broke through the line for 63 yards and a touchdown and Steve Julian kicked the extra point for a 7-0 lead with 11:05 left in the quarter. When the Raiders got the ball, they had a pass intercepted by Steve Julian who returned it to the Appomattox 45. A penalty against Brookville put it on the 50. Jeff Myers then ripped 49 yards to the Raider one and Lindsey scored and the extra point failed. It was 13-0 with 7:40 still left in the first quarter. The Raiders fumbled the next series of downs and Jim Ferguson recovered for the Bees and Lindsay again scored, this time from five yards out and Myers added the two point conversion with 5:11 still in the quarter for a 21-0 lead.

In the second quarter Jeff Myers scored on a 68 yard run with 2:28 left in the half as the extra point missed and it was 27-0. Julian then kicked a 28 yard field goal as the half ended with the Bees holding a comfortable 30-0 lead.

The only other scoring came in the fourth quarter as Steve Julian kicked two more field goals for the 36-0 victory. One was 29 yards with 7:45 left in the game and the other a 23 yard boot with 1:20 to go.

Both teams ran the same number of offensive plays but the Bees came out with a total of 460 yards total offense to 136 for the Raiders. The Raiders had six turnovers to three for the Bees.

Bobby Layne was the top ground gainer for the Raiders with 58 yards in 10 carries and Phillip Goode had 42 yards in 14 attempts. Mike Gallier, Warren Coleman, Nathan Snell, David Wheeler and Ricky Book led the Raider defense.

Jeff Myers led the Bees in rushing yards with 183 yards on 10 carries. Lindsey gain 69 yards on three carries, all for touchdowns. The Brookville defense was led by Steve Julian with a fumble recovery and a pass interception along with a number of tackles. Craig Shaffer was also a big man on defense for the Bees as he had two fumble recoveries. The Bees held the Raiders pretty good as they forced them to punt four times and every time Appomattox would get a break, something would happen to halt the drive.

The Raiders take on Orange here at Appomattox Friday night in a non-conference game.

Appomattox Wins Volleyball Tournament

The Appomattox girls went to Altavista last week end and beat the Rustburg girls in the semi-finals Friday and then took Brookville Saturday afternoon in the Seminole District volleyball tournament.

The Appomattox team took in a row, by scores of 15-5 and 15-4, from Rustburg and the right to face Brookville Saturday afternoon in the finals. Appomattox won the first 15-10 lost the second 15-9 and came back strong to win the deciding game 15-4. Brookville reached the finals by beating Staunton River Friday.

In the final game Teresa Smith, the second seven for Appomattox served all 15 of the Appomattox points as her teammates gave her excellent backing. Mrs. Martin, the Appomattox Coach, also commented on Friday's first round of play and the outstanding set in which they won two in a row.

Appomattox was seeded number one and Rustburg number four going into the tournament while Brookville and Staunton River were tied for second. The Appomattox girls finished the season undefeated and also the tournament. Congratulations to Mrs. Martin and her volleyball team for an outstanding season.

BRUNSWICK STEW

The Spout Spring Ruritan Club is sponsoring a Brunswick Stew Saturday, October 21, 1972 at the Spout Spring School from 3:00 p.m. to 6:00 p.m.

Players of Week

Ricky Book, on the left, and L. M. Thomas, on the right, have been named players of the week for their performances in the Friday night game when Brookville, as expected, shutout the Raiders 36 to 0. There was a great team effort on the part of all players.

Both the players will receive a dinner at Maude's Restaurant compliments of the owners.

Book, a Senior, plays defensive half-back. He intercepted a pass and made several tackles saving touchdowns. A first year Varsity player, he is the son of Mr. and Mrs. Richard Book.

Thomas, a Senior guard, did an excellent job blocking which enabled Appomattox to pick up 138 yards. He is the son of Mr. and Mrs. Murrell Thomas.

J V Team Will Play Jefferson Forrest Today

The Appomattox Junior Varsity Football Team will play Jefferson Forrest at 6:00 p.m. on Thursday, October 19th (today).

Let's get out and support our J. V boys. They are doing a great job.

Last Thursday the Appomattox J V 's defeated the Brookville JV team by a score of 35 to 8.

VETERANS SHOULD COMPLETE ALL FORMS ACCURATELY

Minutes spent on completing applications forms fully and accurately can speed up veterans' benefits by days and weeks, the Roanoke Veterans Administration advised today. VA said the advice is primarily aimed at veterans who will be entering school under the GI Bill this fall.

VAs' "package" plan for applying for education or training benefits was cited by VA as one example of how veterans can contribute to faster VA service.

Under this plan, the veteran brings his seperation document and proof of dependency to VA, and at the same time completes and application for education benefits, prior to enrollment. All the necessary forms are available at all VA offices.

If the veteran enrolls in school before applying for GI Bill benefits, he completes the forms and asks the school to forward them to the VA in one "package" when the school certifies his enrollment. He should check later with his school to make sure his forms and certification have been forwarded to VA.

The "package" plan cuts delay and permits VA to send the veteran his first education allowance check sooner, VA explained, and added, "usually its just a matter of promptly providing the required information for a particular benefit."

Information on veterans benefits is available at all VA offices and from local representatives of Veterans Service organizations.

COUNCIL VOTES TO INCREASE COST OF TOWN TAGS

Cont'd from Page 1

producing 42 gallons of water per minute. Since it was felt that there will be a need for further wells, the council passed the motion to take the option on said land.

William Slagle, Town Manager, reported that the Board of Supervisors had authorized him to purchase the necessary materials to construct a building to house radio - communications equipment. January 16 has been set as the delivery date.

In other business before the council, a resolution was passed that the town put a road into the Promise Land Road Subdivision if and when needed.

Council voted to raise the cost of town automobile tags from the present $5.00 to $10.00, effective April 1, 1973.

The Town of Appomattox and the Town of Pamplin will receive $21,171.00 in Revenue Sharing according to a report to the council. William Slagle was authorized to represent the town at a Revenue Sharing Seminar on December 11th in Richmond.

The Street Committee reported that there had been numerous requests for a street light to be placed between the home of Mrs. Edna Blackwell and the home of Clarence Mitchell. Council voted to have the street light put in as soon as possible. Council also voted to include Lucy Street in with other streets in town that are scheduled for re-surfacing.

A letter was read from the Virginia Municipal League asking for support in the November Election for the Constitutional Amendment which will read "Shall the Constitution be amended to include in the definition of "City" any incorporated community which became a city as provided by law before noon on July 1, 1971?" The Town Council supports this amendment and asks the support of citizens of the town and county.

CLEAN AIR WEEK

Cont. from Page 1

public health when it is necessary to prevent or abate irregular or non-irregular hazards," the air pollution control director said. "Public disposal of trash is certainly not an 'irregular or non-recurring' problem."

In response to Henson's remarks, members of the Air Conservation Committee took a picture-taking tour of county trash dumps in the area. They found that the City of Farmville, the towns of Dillwyn and Keysville, and the counties of Prince Edward and Appomattox are burning their trash despite the regulations of the State air pollution agency.

The open dump is perhaps the oldest method of refuse disposal known to man. All open dumps have foul odors, rats and flies. When burned, a common practice at most open dumps, they create fire hazards, and contribute to pollution of the air. Runoff water from open dumps constantly pollute surface streams and ground water.

The Air Conservation Committee is particularly concerned that the smoke from open burning at the county trash dumps contains a high concentration of pollution (particulate matter, carbon monoxide, nitrogen oxide, etc.) and not infrequently toxic gases.

Because it is close to the ground, the smoke from smouldering county trash dumps is more likely to be breathed before it has a chance to dissipate in the air. This smoke can be dangerous for persons with respiratory diseases such as asthma, bronchitis, emphysema or pneumonia, for it can aggravate symptoms of the diseases. Smoke can affect healthy persons as well as cause damage to livestock and crops.

"While open burning of trash at county dumps is not encouraged by health officials and is not specifically prohibited by State Health Department regulations until after July 1, 1973, counties which burn their trash are now in violation of the rules and regulations of the State Air Pollution Control Board. We are in the process of seeking a formal opinion from state officials before notifying these counties, "Henson told representatives of the TB and Respiratory Disease Association. These Counties should be able to dig trenches and cover their refuse rather than burn it."

An intensive educational program is being carried out by the Central Virginia Tuberculosis and Respiratory Disease Association recognizing Cleaner Air Week, October 15-21. Mrs. Emma G. Anthony, Executive Director said, "Spots have been delivered to radio stations and WLVA TV Station in Lynchburg." Many schools from the Elementary level through High School and College have been most cooperative in programs recognizing Cleaner Air Week. Two plaques have been produced.* one at the Alice Kyle District meeting of the Virginia Federation of Women's Clubs in Altavista and one televised by WLVA TV. Radio station in Lynchburg, Virginia. Cleaner Air Week has a three-fold purpose: (1) To assess air Pollution problems especially at the community level, and progress being made toward solutions. (2) To publicize the situation, (3) To encourage support of necessary corrective measures by all individuals and interests, both public and private.

SEVENTH-DAY ADVENTIST

Rufus B. McDannel, Pastor
Sabbath School Lesson for October 15-21 1972.
Subject: Signs of Christ's Coming: False Religion Lesson 3. Scripture Text: "For there shall arise false Christs, and false prophets, and shall show great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect." Matt. 24:24.

In response to the disciples for a sign of His coming (Matt. 24:3) Jesus first presented the warnings about false Christs. Most of the signs He presented He mentioned only once. This one, along with one other He gave twice. The importance that Jesus attached to this sign is indicated by its position reposition. If we are to meet a person at the station or airport, it is important that you meet the person you are expecting, and not someone else. If in relation to the coming of Jesus, we were to meet and accept an imposter, then our hope in the advent would be in vain. We must meet Jesus and not an impersonater. This lesson deals with Satan's efforts to conquer truth by deception. But Jesus says I'm Really Christ. Follow Me!

Lesson Outline - Part 1. Imposters Matt 24:4,5,11. "And Jesus said unto them, Take heed that no man deceive you. For many shall come in my name, saying, I am Christ; and shall deceive many." "And many false prophets shall arise, and shall deceive many." Read Matt. 24:21-24. "This prophecy indicates that the same deceptions prior to the destruction of Jerusalem have been practiced through the ages, and will be practiced again in the age of this world." The Desire of Ages, p. 628. Part 2. Miracles. Matt. 24:24. "Satan gives his power to those who are aiding him in his deceptions." Only as we go to God's great moral standard and there find that they are transgressors of the law of Jehovah" . . . "Satan has come down in these last days to work with all deceivableness of unrighteousness in them that perish. May the servants of God present the word of God, the Bible before our Heavenly Father, and say, Elighten me; teach me what is truth. Part 3. Spiritism 2 Thess. 2:9 Even him, whose coming is after the working of Satan with all power and signs and lying wonders. Also read Rev. 16:14. For they are the spirits of devils working miracles, which go forth unto the kings of the earth and of the whole world together them to the battle of that great day of God Almighty. Part 4. The First Deception Gen. 3:4; 2:17 "And the serpant said unto the woman, ye shall not surely die." "But of the tree of the knowledge of good and evil thous shalt not eat of it: for in the day that thou eatest thou shalt surely die." Read (Ezekiel 18:20) Part 5. Illustration of Satan's Deception 1 Sam. 28:7 "Then said Saul unto his servant. Seek me a woman that hath a familiar spirit that I go to her, and inquire of her. And his servant said unto him, Behold there is a woman that hath a familiar spirit at En-dor" The next day this poor deceived man took his own life. 1 Chron. 10:13. Part 6. How to Reject Deception. Eph. 6:10, 14-17. "The only way protection against the deceptions of Satan, now or future, is in truth, righteousness, the gospel, faith, salvation, and the Spirit working through the Word. Also read "dear friends" the 3 last chapters of Rev. that tells who will enter in throught he gates to the city, and what happens to all who do not." And the wicked will have to die two deaths, the righteous living people when Jesus comes will never have to die.
